Katie was kind, courteous and professional. She took amazing pictures and did everything in a timely and efficient manner. She traveled where everyone we needed to go and knew just where to stand, the lighting, poses, everything. The pictures that resulted were stunning. Thoughtful, beautiful, and captured the beauty of the day perfectly. I could not recommend her enough

*Words can't describe how grateful I am of Katie. She captured every special moment and then some! She was so kind, patient and beyond talented!!! It was a long day from start to end she helped with making the day go smooth, making sure everyone one felt beautiful and confident in every captured moment and made it fun! I will be recommending her to anyone I know who needs a photographer whether it's wedding, graduation, or family photos! I'm obsessed with my wedding photos I've probably looked at them 20 times or more lol*

*Katie was incredibly friendly and professional. We met before the wedding to talk about everything that was important for us to capture. She showed up early on the wedding day to capture moments we didn't even think of. She had amazing suggestions for everything throughout the day, reminding me to bring straws to amazing photo poses for me and my husband. Not to mention the photos were absolutely beautiful!*
